SUBJECT Kankanpalya Extension Scheme.

Adverting to Para 4(d)(i) & (ii) of Government Order No.L 12632-8/Ml.139-46-13 dated 17-1-48, I have the honour to state that detailed estimates are being prepared for the formation of roads, drains, water supply, underground drainage etc. The proposals re. the rates at which the sites should be sold and the manner in which they are to be disposed of etc., are being worked out

In the meanwhile, to proceed with the scheme as expeditiously as possible as per para 6 of the Government Order, it is urgently necessary that I should be authorized to proceed with the work of formation of roads etc , pending sanction to the detailed estimates that will be prepared and sent up to Government.

In this connection, I wish to invite reference to your letter No.L.11206/Ml 95-47-4 dated the 27th November 1947 conveying the instructions of Government regarding the procedure to be adopted as regards the formation of roads, drains etc., in Kumara Park West Extension viz , that of calling for quotations and distributing works on piece work system on the basis of rates that will be arrived at on an examination of the quotations that will be received I wish to adopt the same proce-

procedure in respect of this work also with the approval of Government.

In view of the extreme urgency, I request that immediate orders of Government in this behalf may be obtained and communicated.

If we have to wait for the formation of roads, drains etc., till the detailed estimates are prepared and - sanction obtained separately, it will take time.

I have the honour to be,
Sir,
Your most obedient servant,
C.P. Narasinga Rao
